This petition is filed for reviewing the judgment passed on 1.1.2007. It is stated that the alleged detenue was not validly married to the 4th respondent and that action for giving false evidence should be taken against the 4th respondent. But before the open court the alleged detenue herself stated that she has married the 4th respondent. If it is false that is no basis for taking any action against the 4th respondent. Secondly, it is the girl who stated that she went with the 4th respondent. There is no ground to review the judgment. Hence this review petition is dismissed.
